

Performance Review and Staff Development: Planning Record Proforma

PLANNING RECORD 2012-13	
Reviewee:	Reviewer:
Date of Meeting:	
<p>Objectives:</p> <p>1 Use a range of teaching strategies, including classroom organization and management, to develop cooperative working skills in pupils.</p> <p>2 Use a range of questioning and review processes with pupils to raise their awareness of the value of learning in cooperative working contexts.</p> <p>3 Disseminate the outcomes of the above strategies, initially with colleagues within the same department.</p>	
<p>Development and Training Identified:</p> <ol style="list-style-type: none"> 1 Carry out research into cooperative learning strategies, including those currently used within the department and other departments in the participating schools. Carry out research into positive strategies for challenging prejudice and fostering respect for diversity at classroom level. 2 Observe a skilled practitioner employing a range of questioning strategies in a shared classroom context. 	
<p>Resources Identified:</p> <p>1&2...to be identified following research/observation stages, and guidance received from SCDL staff.</p>
